Mr. John Reese

Knoxville, TN 37916

Dear John:

The concept of shared authority and responsibility which characterizes the ideal of collegial governance is demonstrated by the administrative committees of UTK. In these committees, students, faculty and staff from a variety of sectors of the University community come together to guide the operations of the institution.

One such group is the Commission for Blacks, of which I am pleased to ask you to be a member during the 1976-77 academic year. The charge to the Commission is attached, along with a list of all persons being asked to share this responsibility with you this year.

I sincerely hope that you will accept this appointment, and that you will find the work of the Commission to be both interesting and instructive. The appointment is effective immediately and will extend until August 31, 1977. Please inform my office (Ms. Taylor, 53288) of your decision by December 3.

Thank you.

Best wishes,

Jack E. Reese
